NOTICE TO FAMILIES.

ALL LOVERS OF GOOD BREAD are recommended to make use of WM. BROWN'S PORTABLE TAKE YEAST as it makes the bread much better than the common mode. The Yeast is free from all impure ingredients makes the bread perfectly white and light is well adapted for ship's use, and will keep in all climates. It is now in extensive use in Boston, and orders are beginning to be received from all quarters. No better evidence of wanting its superiority over all other articles used for making bread than the following certificate.

The undersigned having made use of WM. BROWN's Portable Cake Yeast for rising bread, in our opinion this yeast is far better than any other article we have ever used, and of, and will make the bread much whiter and very light, and we believe it to be free from all impure ingredients.

Signed by the Pastry Cooks at the Tremont House, Pavilion, American House, and Marlboro Hotel, Boston.

It is now in use at most of the Hotels in the city, and on board of all the steamships belonging to Mr. Curran's line, and on board of the New York and Boston Line.
